The National Society of Black Engineers (NSBE) Birmingham Professionals Chapter is a 501(c) (3) non-profit association dedicated to the academic and professional success of African American engineering and technical students and professionals. Our mission is to increase the number of culturally responsible black engineers, who excel academically, succeed professionally and positively impact the community. NSBE-Birmingham fulfills this mission by organizing an array of workshops, community activities, scholarship funding, mentoring, and networking events.

We facilitate the development of strong technical professionals and leaders, encourage minority students to eagerly seek out degrees in Science, Technology, Engineering and Mathematics related fields, and empower the community with the knowledge and foresight to strengthen the very foundation that enables our community as a whole to achieve greater heights.

Executive Board
Ashley Barnes, President

CHAPTER ANNOUNCEMENTS

Future Engineers of America (FEA) Update!

Our next FEA meeting will take place at **2:30pm on November 12, 2017** in the Alabama Power Company Building: Electra Room.

For FEA's September engineering concentration, the meeting's focus was Civil Engineering (presented by Ashley Barnes). After our dynamic presentation from Barnes, the students constructed a straw tower using civil engineering principles. Special thanks to Birmingham's Mayor-elect, Mr. Randall Woodfin, for stressing the importance on "Time Management & Goal Setting" during our Next Level Movement topic. If you are interested in volunteering with FEA,

1st Quarter General Body Meeting Recap

Our 1st quarter General Body meeting was hosted at Hickory Tavern on September 28th at **5:30pm**. Hickory Tavern is located in Brookwood Village (Homewood, AL) with a unique brand of casual dining, lively bar atmosphere, and an unmatched sports enthusiastic atmosphere. Our committee chairs shared and welcomed ideas that we felt would take NSBE-BHM to the next level. Complimentary food and beverages were served and the relationship building was priceless. We want to make a note that the chapter meetings will be held quarterly. We will communicate the date, time, and location to the general body closer to the meeting date. Our next General Body meeting will take place December 2017.
Please contact our program chairs, Ashley Barnes and Arthur Fisher, at pci@nsbebham.org.

UPCOMING EVENTS

Click here to access our online calendar!
The ladies of Alpha Kappa Alpha Sorority, Inc. are requesting NSBE-Birmingham members to participate in their Leadership and Career Expo on Saturday, October 14, 2017 from 9:00am-12:00pm. Participants will act as panelists touching subjects on your experiences regarding career path, identifying career field requirements, etc. If you are interested in this opportunity, please contact volunteer@nsbebham.org.

"Come Dine With NSBE!"

Please join NSBE-Birmingham Professionals Chapter for lunch at Maki Fresh (Downtown) Wednesday, October 18, 2017. Maki Fresh will donate 15% of ALL food sales from 11:00am-3:00pm to NSBE-Birmingham! The donations will be used to support programs sponsored by NSBE-Birmingham, such as Future Engineers of America (FEA) and our annual scholarship banquet! Please come out to support and
be sure to extend the invitation to your personal network and workgroups!

IMPORTANT: We need at least 20 people to RSVP by Sunday, October 15th or our meal reservation will be canceled. RSVPs will help the restaurant prepare for our group. We look forward to seeing everyone there! RSVP [here](#)

1st Annual STEM Career Fair Expo
“Navigate Your Future”

A.H. Parker High School is requesting NSBE members regarding STEM employees from the Birmingham Area to participate in a college and career expo on Thursday, October 19, 2017 from 9:00am - 2:30pm. We understand this is a week event so we are asking for participants to either attend full day or attend in shifts. They would like the students to have exposure with employees that are in STEM careers and are willing to share their experiences with the students. If you are interested in this opportunity, please contact [communications@nsbebham.org](mailto:communications@nsbebham.org)

The National NSBE Convention is approaching rapidly. Reserve your spot today by clicking the link [here](#)!
Please advise high school seniors that there are scholarships offered by the Engineering Council of Birmingham (ECOB). You can access application criteria at the link below.

http://www.ecob.org/Scholarships

Additionally, there are also scholarships offered by the American Council of Engineering Companies (ACEC)-Alabama. You can access application criteria and details at the link below.

http://www.acec.org/awards-programs/scholarships/

If you know any high school graduating seniors, please encourage them to apply for these scholarships.

We are always looking for new members. If you have already applied
for membership via www.nsbebham.org, you can pay your membership fee of $25 here! Also, for current members don't forget to renew your membership yearly! Interested members can click the link and be redirected to sign up. Please sign up today!

---

**CHAPTER OBJECTIVES:**

- Stimulate and develop student interest in the various engineering disciplines.
- Encourage and advise minority youth in their pursuit of an engineering career.
- Strive to increase the number of students studying engineering at the undergraduate and graduate levels.
- Encourage members to seek advanced degrees in engineering or related fields and to obtain/maintain professional engineering registrations.
- Promote public awareness of engineering and the opportunities for blacks and other minorities in that profession.
- Function as a representative body on issues and developments that affect the careers of black engineers.
